PRINCIPAL'S REPORT
It has been full steam ahead at school over the past few weeks, however, while everyone was hard at work I was able to have two weeks Long Service Leave to spend with family. (Boy that was tough).
Thank you to Mrs Nikki Callinan for stepping in to be Relieving Principal. The school was in great hands, you did a fantastic job!
There is certainly a lot happening at the moment.
Class assessments are being completed at the moment, with teachers finalising end of semester reports.
Year 6 are getting ready for their Graduation and High School Orientation.
Our new Kindy students have settled well during their orientation and are trialling a full day on Friday!

Captain Speeches
Last week our Year 5 students presented their Captain speeches for the school at assembly ready for our voting. I was so impressed with the standard of presentations, well done boys and girls.
I am sure whoever is elected to these important positions will do a wonderful job, especially if the commitment shown in preparing these speeches is continued into the role next year.

K/1 NEWS
Responsible Pet Ownership Visit.

Vince meeting Zena.

How to safely approach owners and their pets.

Cameron McDermott meeting Zena.

K/1/2 were excited to attend a ‘Responsible Pet Ownership’ talk in Week 5, where we meet a friendly puppy called Zena. Students learned how to look after dogs as well as how to stay safe around all dogs.
Guide Dogs Visit

NSW/ACT Guide Dogs came to visit Yoogali Public last week and all students had a valuable learning experience listening to Aunty Mary talk about her experience with Guide Dogs.

The SRC held a Mufti Day and raise $79.15 for Guide Dogs. The money was given to NSW/ACT Guide Dogs on the day.

Year 6 Graduation

Our Year 6 Graduation night will be held on the 2nd December at 6pm. Invitations have gone home already. The Year 6 students are asked to invite up to 10 people to help celebrate this wonderful achievement of finishing primary school. Year 5 have been asked to purchase a ticket and come as our helpers. They will be serving cake and drinks to the Year 6 students. Tickets can be bought at the office and need to be finalised by this Friday 21st November for catering purposes.

School Magazine

Our annual school magazine has just been finalised and sent off for proofing. This is a 48 page magazine in full gloss. It has work samples and photos of all of our students in our school this year. It is a great momento for everybody to have. It is $20 per magazine. Please fill out the slip attached and return to the office as soon as possible.

Kinder / Year 1

Last week K / 1 had a visit from a four metre high Guide dog called Gulliver, with students learning about what the Guide dogs do and who they work with. Students were very excited to see Gulliver arriving on the back of a ute!

We have also been working hard during maths learning about groups, even and odd numbers, measurement, money and so many other aspects of numeracy, showing how very clever we all are.

With only a few weeks until reports go home I am looking over students results across the year and looking at the great success of all the students in the class. Well done K / 1!!

Year 2/3 NEWS

Over the past 2 weeks Year 2/3 have been busy completing numerous assessment tasks to show me how much they have learnt in Literacy and Numeracy. In Science, students are completing a power point presentation in groups to show what they have learnt about simple machines and how they have changed over time. We are still practising our drama and dance skills to use in our end of year performance which is coming along well. A great effort from 2/3.

Miss Simpson 😊
Year 4/5/6 NEWS
What a busy end of term we are heading into. We have so many things to do before the end of year. The students have been busy completing assessments for both Literacy and Numeracy.
We will be starting on our class item this week ready for Presentation Night.
Don’t forget our Year 6 farewell is coming up quickly. It will be held on the 2nd December. Everyone should have received their invites by now. Year 5 are asked to be our helpers on the night. They will be serving cake and drinks to our Year 6 students. This is one of our traditions and it would be nice to see as many Year 5 students as possible there on the night.
Don’t forget, next year it will be their turn to be waited on!
Miss Gordon and Mrs Callinan
