PRINCIPAL’S REPORT

At Yoogali Public School we are Safe, Respectful Learners!

Being a creative thinker is one goal we have for our children. Coming up with different ideas to solve a problem is a critical part of 21st Century Learning. This means that children need to take risks in their learning by having a go at things they might find challenging at first. One of the hardest lessons is accepting the fact that they will make mistakes and this is OK. We often learn the most from these mistakes.

Like everyone else I make mistakes too and so I need to apologise for two mistakes in our last YARN.

Firstly, to Chaise Sergi who was the winner of the 10yr boys cross country event. I had Brandon as the winner but he was a close second to Chaise.

Secondly, to Kyla McCoustra who was accidently left out of our ANZAC Day marchers from 2R. (I think I wrote her sister Mia instead)

KROP

Our KROP team for 2015 have been working very hard on their performance under the direction of Miss Jane and Mrs Callinan. Our next step along the journey is an audition at school on Friday 29th May at 2pm. This is a closed audition so we cannot invite an audience. This means that our usual assembly will have to be cancelled on this day.

CALENDER

Term 2
WEEK 5
Tuesday 19th May - Mortimer Shield League & Tag Yr 5&6 Boys & Girls

Sarah Atkinson

Principal Award
Travis Lawlor

Birthdays
Alexis Cumberland  18th May
Michaela Oldham   19th May

1B NEWS
I hope all our mums had a great mother’s day recently. I would like to say a very big thank you to Elisha Collins of for taking the pictures, without you the pictures would not have been so special. Students did such a wonderful job of making these and I am sure they will be treasured.

2R NEWS
We would just like to ask all parents if they could check their children’s jumpers for names as we have quite a few misplaced. We understand sometimes the wrong jumper can be taken home or two jumpers can be taken home. If you find a jumper could you please bring it in to the office.

I have had a few questions about home reading logs. Students are able to read any book they have at home or library book, as readers are not sent home.

Lastly well done to 2R on their assembly performance all students sung beautifully.

Mrs Rinaldo & Mrs Bevan
3GD NEWS

Wow what a fortnight! We have had so much going on.
Congratulations Year 5 on completing NAPLAN. I am very proud of how well you handled the tests. It has been a long couple of days but you all pulled through. Well done!
Thank you to the Year 6 students who represented our school so well in Wagga this week. From what I have heard you made some outstanding rockets!
Please remember to bring in your soil samples and rocks as soon as possible as we will continue learning with these this week.
I am sure your projects are coming along well.
Please remember that they are due on Thursday the 28th of May. If you need assistance printing anything off let me know.
The students in our class will be holding a cake stall on Monday the 25th of May. Notes have gone home regarding this. Each student has chosen something that they would like to contribute.
So many exciting things happening in our class.

Mrs Damini & Miss Gordon

• If change is required, it will be taped to the lunch bag

Attendance Matters

The importance of arriving on time
Arriving at school and class on time:
• Ensures that students do not miss out on important learning activities scheduled early in the day
• Helps students learn the importance of punctuality and routine
• Give students time to greet their friends before class
• Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.
